

Play it Safe!

Be a **SUPER SAFE** Kid!

Play it Safe!

Clean up your messes -
A clean floor prevents
falls!

Never play with things
that are HOT! Hot
things can cause burns.

Electricity is
DANGEROUS - NEVER
use electricity near
water.

Always wear your seat
belt - they protect you
in an accident.

In case of a fire, **GET**
OUT and **STAY OUT!**
