PREVIEW

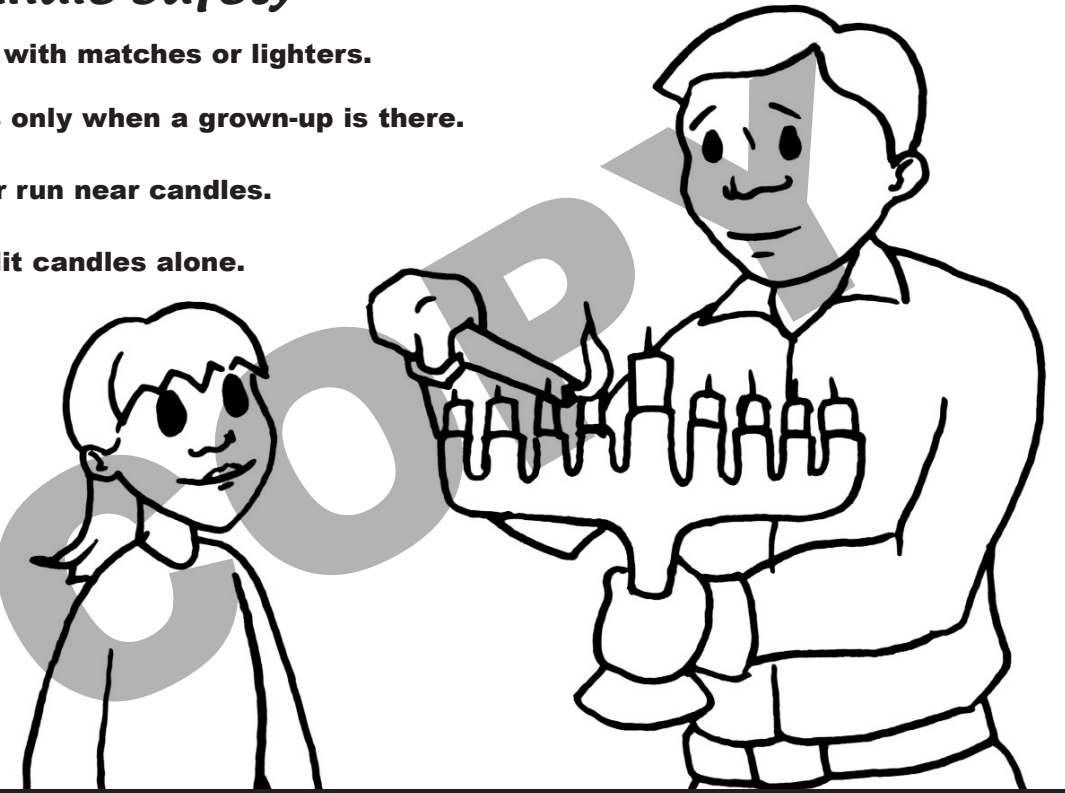

Christmas Tree Safety

- Give your tree enough water. Dry needles can cause fires.
- Use only flame-retardant artificial trees.
- Unplug the lights before leaving the house or going to bed.
- Don't run wires under rugs or through doorways.

Candle Safety

- NEVER play with matches or lighters.
- Use candles only when a grown-up is there.
- Don't play or run near candles.
- Don't leave lit candles alone.

Kitchen Safety

- Don't run or play in the kitchen.
- Stay away from the oven and stove.
- Watch out for hot foods or liquids that can burn.

Fireplace Safety

- Don't hang stockings over a working fireplace.
- Clean out old ashes.
- Keep paper products (like wrapping paper) away from fire.
- Don't run or play near the fireplace.
