**FIRE
FACTS**

LEARNING AND ACTIVITY BOOK

1

Firefighters are special helpers in the community. They help save lives and teach us fire safety.

2

Fire can be scary!
Firefighters are there
to help, **NEVER** hide
from firefighters.

NEVER
HIDE,
GET
OUTSIDE!

3

Plan a safe escape.

Know two
ways out of
every room.

4

Help your family draw an escape plan of your home.

Have an outside safe meeting place. Practice the plan with your family.

5

Smoke alarms warn us when there is a fire.
If you hear the alarm, **GET OUT FAST!**

Red's Tip!

Know what
the smoke
alarms in
your home
sound like

6

Most fires happen at night!

If you hear the smoke alarm don't sit up!

Roll out of bed and crawl to the exit.

If there is smoke you can breathe better by covering your mouth and nose.

7

Check the door for heat!

Use the back of your hand, feel the door, hinges and door knob for heat. If the door is hot, **DON'T OPEN IT!** Use your second way out.

8

Smoke rises! Crawl low in smoke to breathe good air.

9

Never go back inside
a burning building,
for ANY reason.

Get Out,
Stay Out!

10

If your clothes catch on fire,

②.

DROP

to the ground,
