FIRE STATION

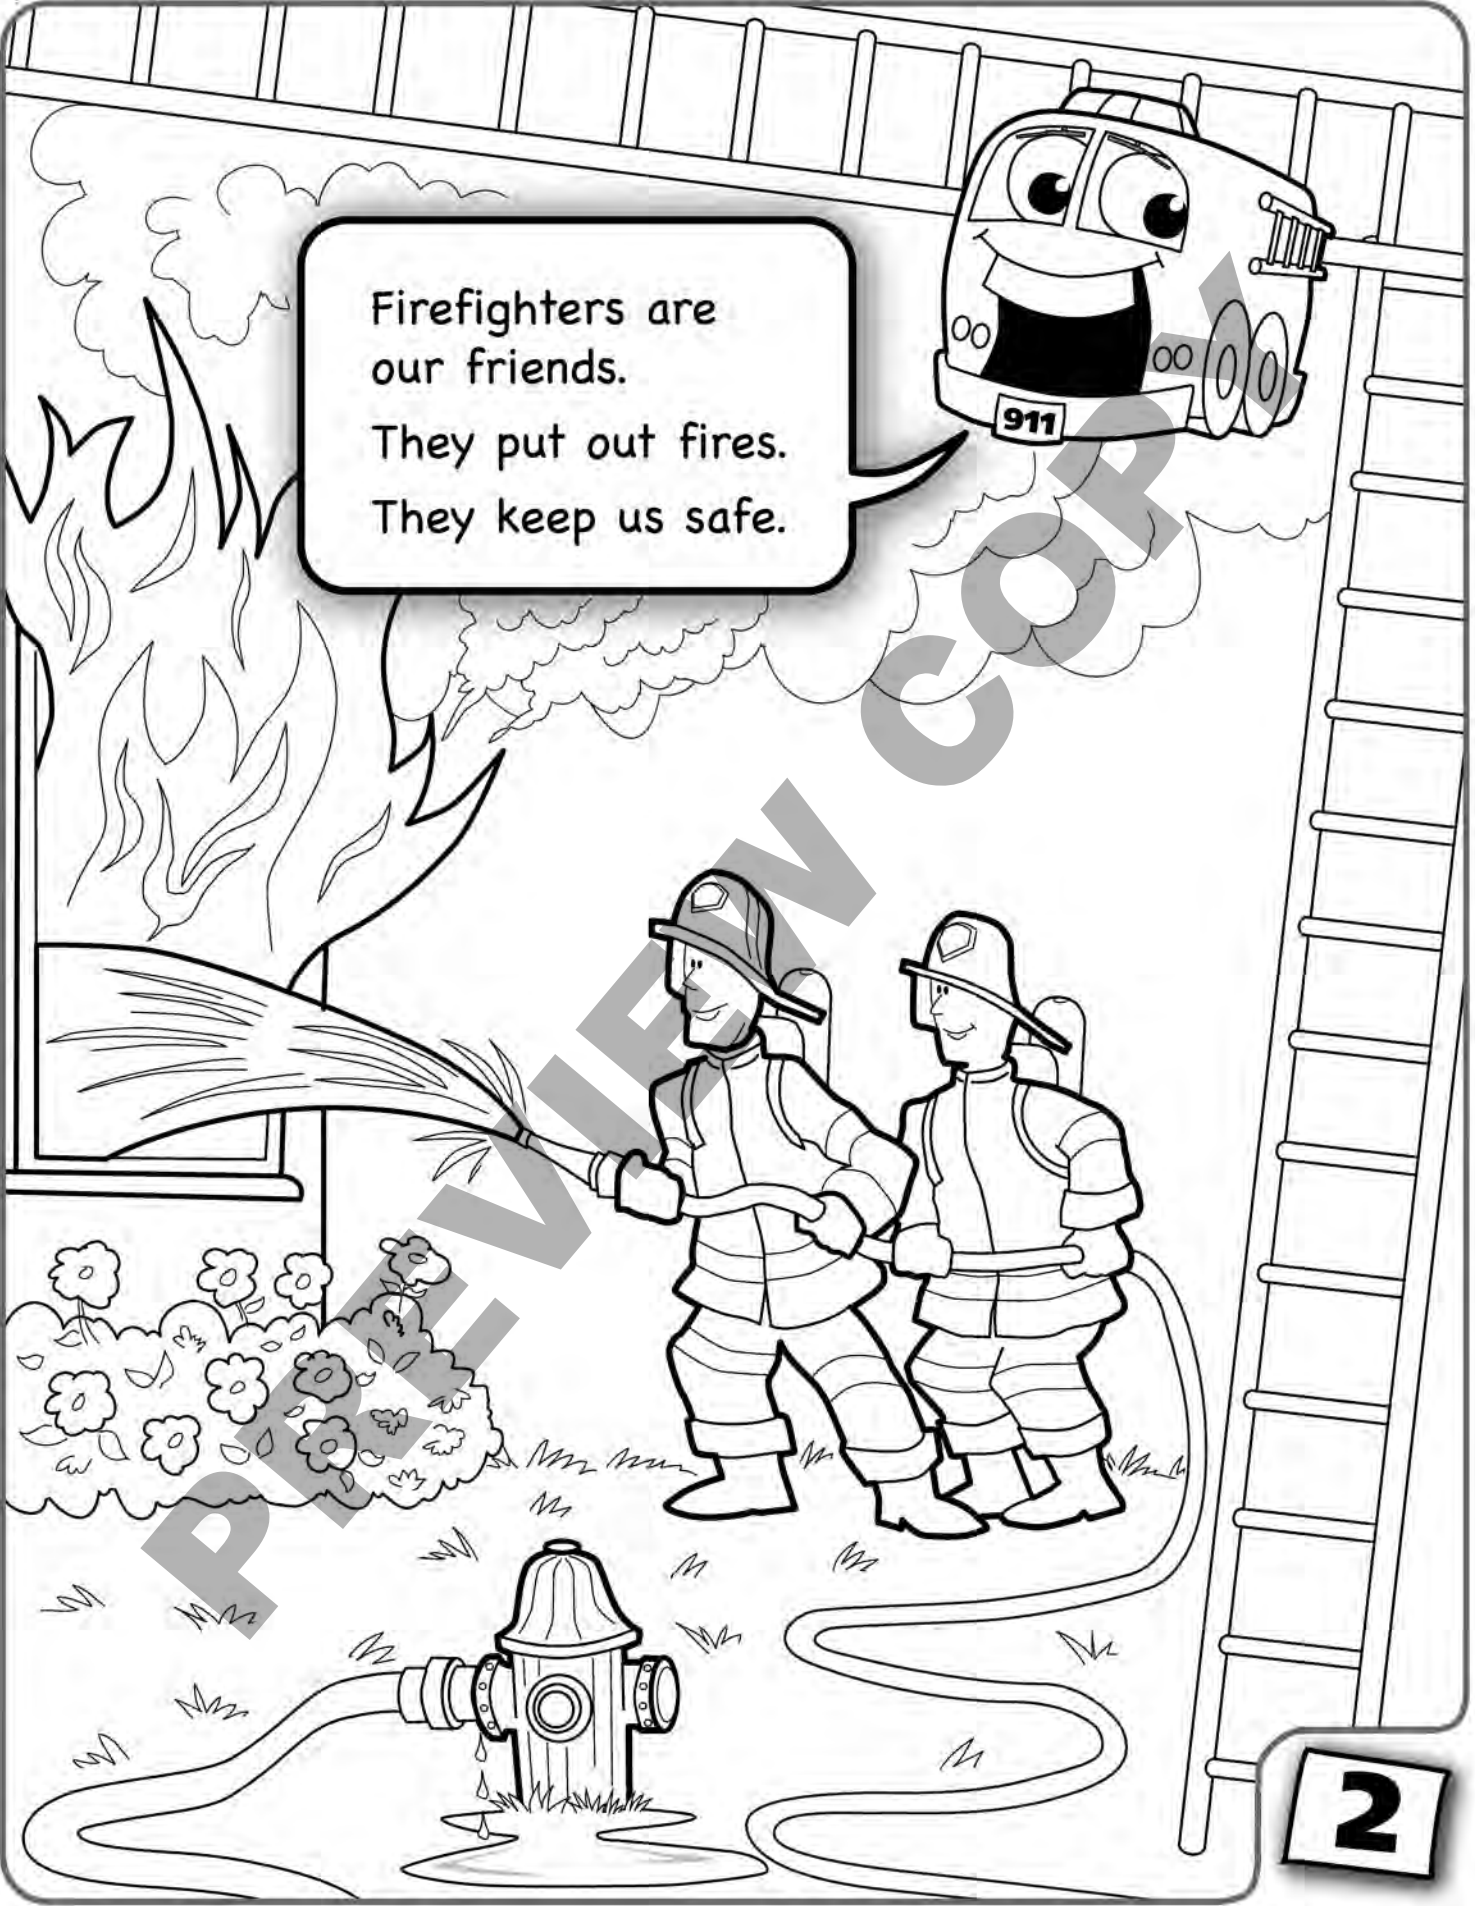

I'm Stretch
the Ladder Truck.

These are my friends,
Bill and Maria.

Bill and Maria are
Firefighters.

Firefighters are
our friends.
They put out fires.
They keep us safe.

This is Bill in his special
firefighting clothes.
The clothes keep him safe
from fires.

Firefighters can look scary.
But you should never hide
from a firefighter.
They are there to help you.
They are your friends!

These are some of the tools that firefighters use.

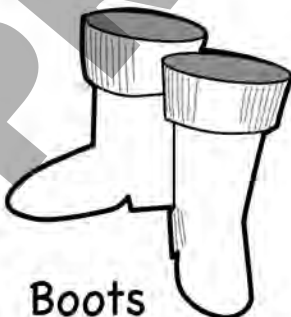

Axe

Nozzle

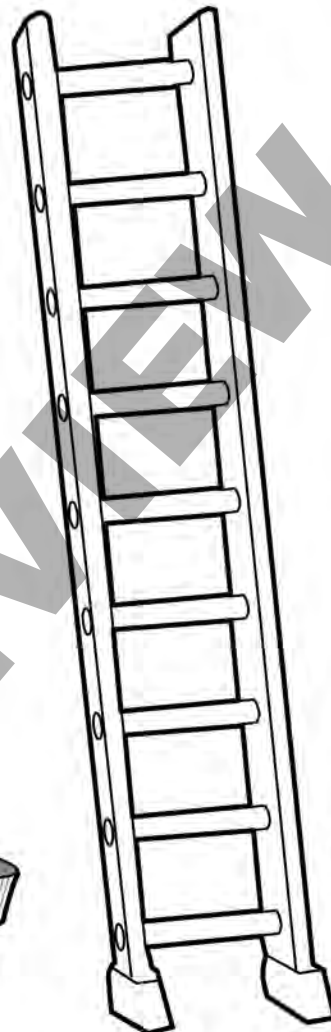

Helmet

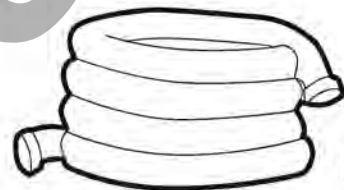

Boots

Ladder

Pick

Hose

Gloves

Mask

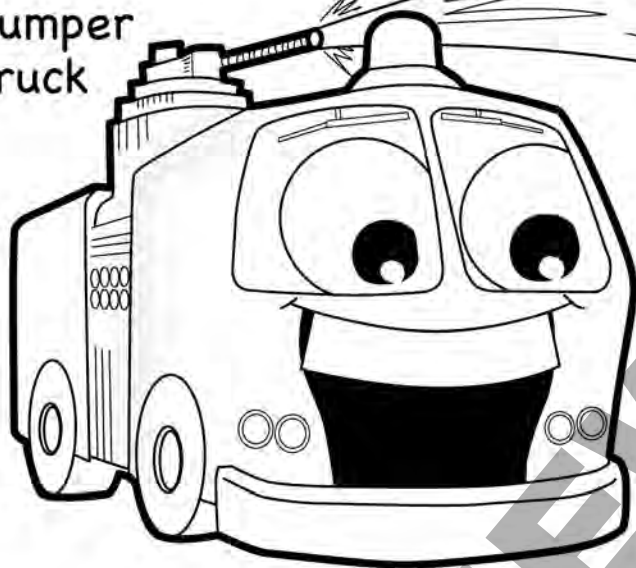

Air Tank

Firefighters have special trucks to help them fight fires.

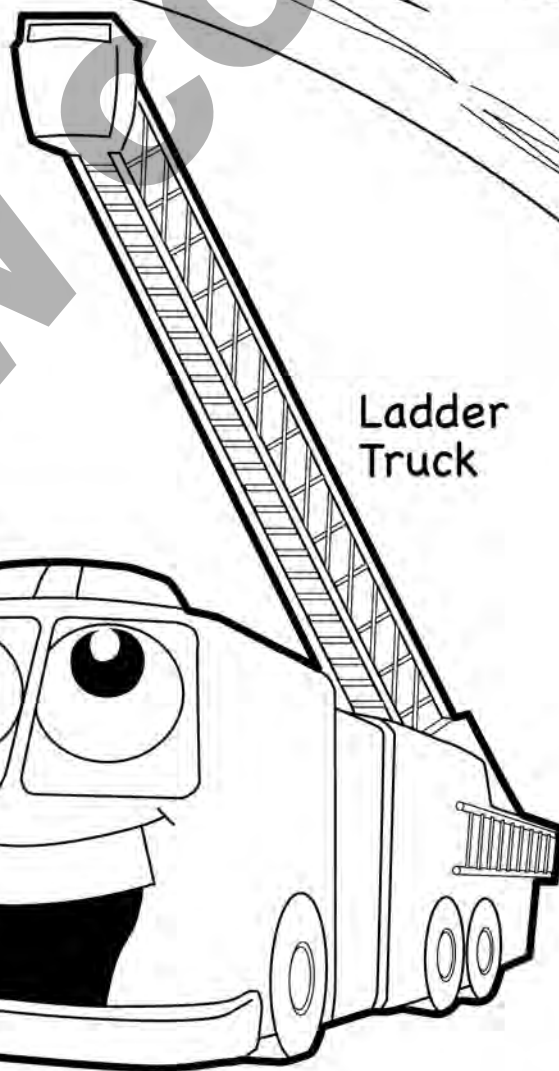

Some are ladder trucks like me, Stretch!

Firefighters stay at a fire station. When there is a fire, they are ready to come to the rescue.

When kids visit the fire station, firefighters teach them about fire and life safety.

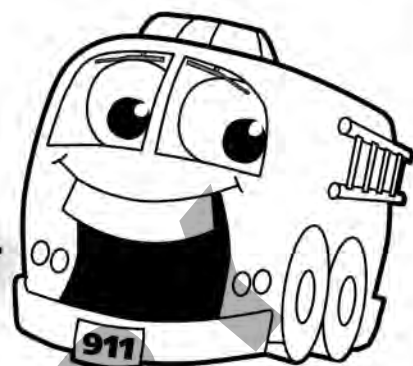

Firefighters also teach grown-ups to be fire safe.

This firefighter has a smoke alarm. Smoke alarms make a loud noise to warn people when there is a fire.

If you hear your smoke alarm,
get out fast! Stay low because
smoke rises. Practice fire drills
with your family.

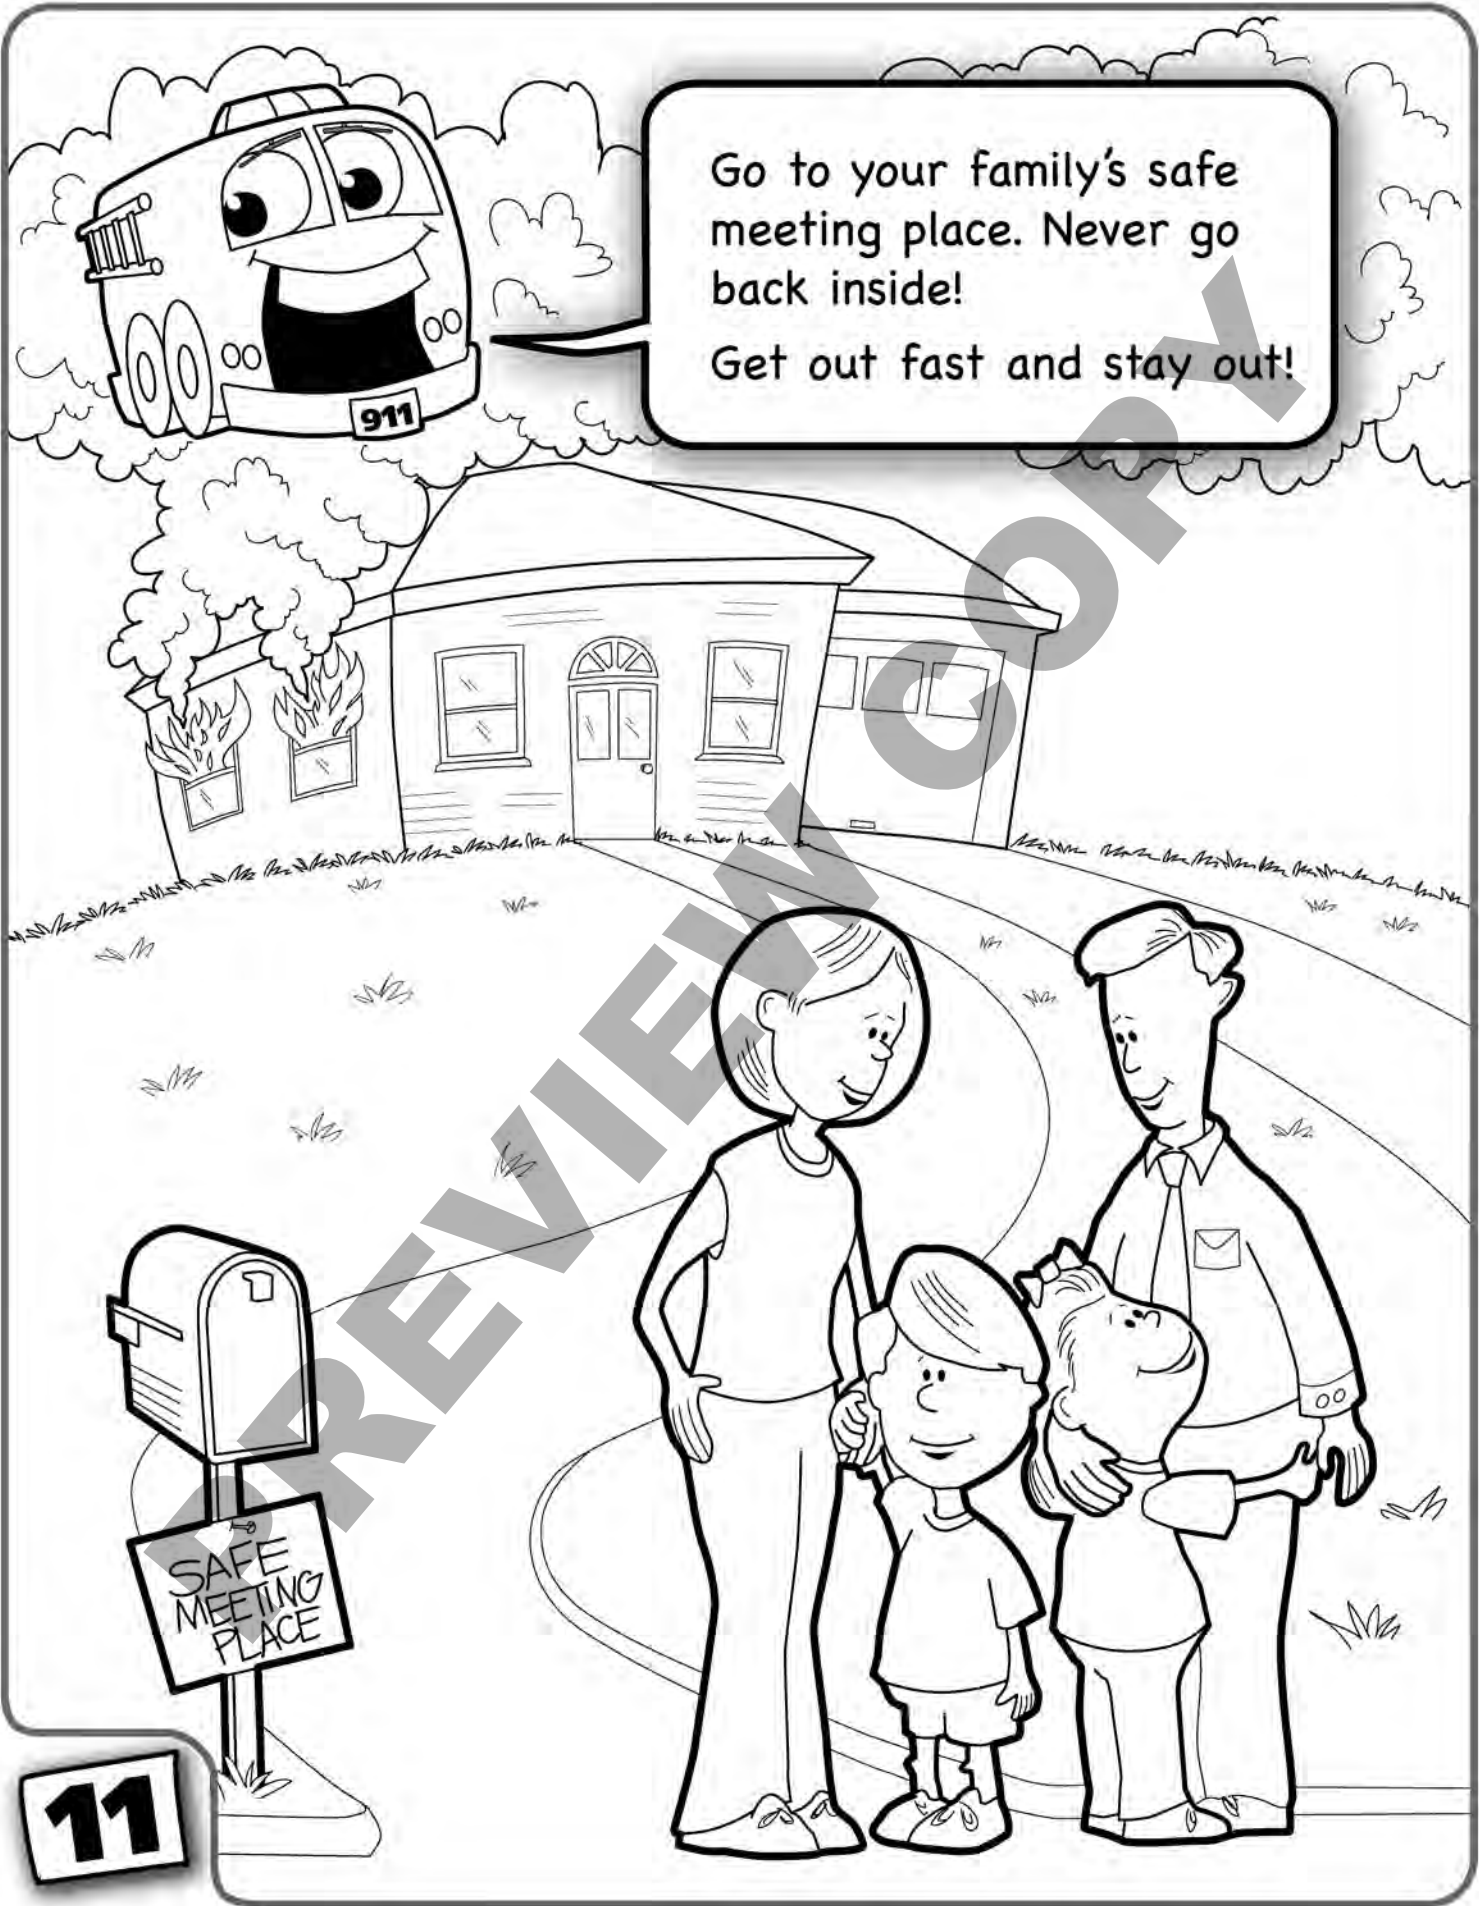

Trace the words in the smoke!

BEEP BEEP BEEP BEEP

STAY LOW
AND GO

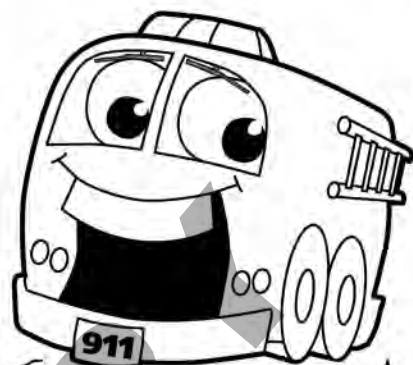

Go to your family's safe
meeting place. Never go
back inside!
Get out fast and stay out!

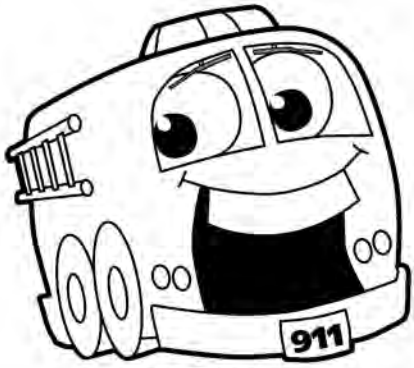

SAFE
MEETING
PLACE

If you can't get out,
don't hide! Go to a window.
Yell for help. Wait for a
firefighter to help you!
